SAGANDAGAN

Debbie Rose

Deb,
Best of luck always to a real nice girl! Stay as happy and carefree as you now are, and you'll really enjoy your future years!! Keep smiling, and don't ever forget me!

Always,
Lois

Dear Scott

Debe Scott
M.C.S. '71
true friend always
Sally

Best of luck in the future years to come
may all your contest dreams come true
Never forget our great times at C.S.

Dedication

There is an understanding of students which springs from a genuine interest in them. This, however, is not a passive concern. It entails active involvement with the pupils in activities which exist along with their academic pursuits.

This year's dedicatee is a math teacher, guidance counselor, the junior varsity basketball coach, and advisor to the Future Teacher's of America Club. In each of these capacities, he has won much more than the respect of the students. This man is Mr. Winning.

Appreciation

Our appreciatee is a business teacher and advisor to the junior class, as well as financial administrator for all of the money making organizations of our school. In addition to being a practical business woman, she is a warm and wonderful person.

A number of young people have been guided to careers in the business world by her, and I am sure that they, as well as we, will never be able to thank Miss Pollak enough for the love, energy, and confidence she has invested in our generation.

Most of you have been together for years and many of you since you started school. The close association has created a type of friendship which will never again be experienced.

Within a short time after graduation, some of you will be in distant parts of the country or in foreign lands. You will be in college, in military service, employed, or married.

Your future success will depend upon you. You will "Get What You Give".

ACTIVITIES

Editors

Putting a yearbook together is a rich and rewarding experience. It enables every member on the staff to delve into the many activities of our school and to come in contact with the personalities who make the curriculum and extra curricular activities possible.

This year the focus is on students and teachers working together within and outside the classroom. We hope to present the student body with a well rounded picture of what has occurred during the school year '66-'67.

We would like to extend a special thank you to Mr. Serfis and Mr. Dinneen as well as the members of this year's yearbook staff.

Panthers Retain Championship

Mayfield Central edged Ichabod Crane, 1-0, at Shenendehowa to cop the Section 2 Class CD Soccer Championship. In addition to winning the sectional crown, the Larry Serfis coached booters also won the Tri-Valley League crown, and finished the season with a 10-1-2 record. The Panthers, turned in a good team effort throughout the 1966 season. The team loses only three Seniors and should be a strong team next year. Tight defensive work and a fairly good scoring punch helped the team to have such a successful season.

Cross-Country

KNEELING L-R; R. Ellis, S. Billman, D. Howard. STANDING L-R; R. Peugh, P. Leach, D. Howard, R. Briggs, P. Peugh

The '66 team was undefeated in all five of its dual meets, beating top-flight teams from Amsterdam, Johnstown, Draper, Bishop Burke, and Northville. Once again Mayfield held second place in the Tri Valley League.

Capt. Steve Billman and Ron Ellis made the Class C, Section II team, and competed in the Intersectionals where they both scored for Section II that place fourth in the state.

We, the members of the cross-country team, want to thank Mr. Maderic for coaching us this season. Not only did he lead us to the first victory in the history of Mayfield, but also gave us an unbeaten record in dual meets. Six wins!! Thanks, coach.

Last year's varsity team completed their season with a 10-2 record to again win the Northern Division of the Tri-Valley League. This was the fifth year in a row for our team to win it's division and enter the playoffs. After a week's delay due to conflicting schedules during the first week of June we lost the playoff to Fonda-Fultonville by a 1-0 score. This was a year that indicated just which boys really wanted to play and hustle because of the long, wet and cold spring which resulted in eight games being cancelled.

Junior Varsity Baseball

FIRST ROW, L-R: L. Robb, D. Robbins, J. Armstrong, M. Goossen, J. Peugh, E. Washburn, D. Willie.
SECOND ROW, L-R: D. Lock, D. Howard, K. LaRowe, T. Hoose, Coach Dinneen, W. Coon, B. Kucel, T. Goodemote, T. Crannell.

The Junior Varsity baseball team compiled a commendable 6-2 record during the 1966 season. The team's schedule was drastically curtailed due to unusual inclement spring weather and was forced to cancel nearly half of its schedule. The nucleus of the squad was comprised of freshmen who despite the reduced schedule maintained a winning spirit and gained a wealth of experience which will serve them well in forth-coming campaigns. The final statistics indicated many impressive individual efforts which contributed to the overall team success.

Track

The Panther's have shown a lot of spring in the past and are looking forward to their first kill this season. John Cunningham's leaps in the pole vaulting section proved graceful and granted him a berth on the Section II team at West Point. Although seeming timid, our runners are cunning, trying to find the weaknesses of their prey. At the last possible second they leap forward for the kill and finish ahead of the pack. We of the yearbook staff wish the team, "Good luck".
